Her time in the mortal world is running out... After fleeing Annwyn three centuries ago, Ella built a life in the mortal world making gowns for European royalty and playing in mortal intrigues. Hes been dreaming of the coming battle all his life... Isaac Norton is a returned soldier. Now home, hes restless and his recurring dream is becoming more frequent: hes fighting on a snow-covered field stained with blue blood. When he sees Ella, he knows she isnt human. And she knows what he is, a changeling. Ella can give Isaac the answers he needs, but there will be a price to pay: his soul.
