Launch sale! \$2.99 \$0.99 for a limited time! Jasmine has always known that life wasn't fair. It wasn't fair that all her hard work keeping a home wasn't appreciated. It wasn't fair that none of that time counted as experience, but she was desperate so she had to take whatever there was. Stepping off the bus, she reminded herself that life didn't have to be fair, but it did have to be survived. As soon as she laid eyes on the handsome man who answered the door, she remembered something she'd suppressed for a long time: life had its sunny moments as well. Knox Ryker didn't really like this whole idea of getting a housekeeper. Yes, five guys living together could take its toll on a place. Yes, Dax's new girlfriend had a point: it was a pigsty. But having a stranger come over to root through your things just didn't feel right. But once he laid eyes on Jasmine, he had feelings of a totally different sort. This 10,000+ word Novella contains handsome bachelor Bear Shifter hotness, a Happily Ever After, No Cheating and No Cliffhanger. Also included are some free bonus stories as my thanks to you.
