

Cynthia Harts Victoriana Wall Calendar 2016

Beautiful and beloved year after year, the Victoriana Calendar showcases the artistry of Cynthia Hart. Here are a dozen lush collages that masterfully layer fresh flowers with beautiful vintage jewelry, snippets of colorful ribbons and intricate laces, and antique paper ephemera that evoke nostalgic feelings of family, hearth, and home. Hearts, roses, and cherubs put love into the air for February; spring flowers, birds, and butterflies burst from April's spread; and December delights with a winter wonderland of angels, Santa Claus, and holly. Each vibrant arrangement reflects the seasons and the artist's singular style. Packaged with the calendar in its ornate gift envelope are 4 die-cut postcards and a desktop easel calendar.
