

Essential Environment: The Science Behind the Stories (5th Edition)

#1 best-selling Environmental Science text and media package is now even better!

Essential Environment: The Science behind the Stories, Fifth Edition engages students using current, integrated case studies that provide a context for understanding science and environmental concerns in a brief, 18-chapter text. Jay Withgott and Matt Laposata present the latest understanding of environmental science along with expanded FAQ discussions that address common student misconceptions and with new Data Analysis questions that build quantitative literacy. MasteringEnvironmentalScience

with eText is an online homework, tutorial, and assessment product that improves results by helping students quickly master concepts both in and outside the classroom.

MasteringEnvironmentalScience incorporates activities written by the authors, so your students will arrive better prepared for class. The book and MasteringEnvironmentalScience work together to create a classroom experience that makes teaching and learning more efficient and enjoyable.
