

# Nietzsche: The Man and his Philosophy

Hollingdale's biography remains the single best account of the life and works for the student or nonspecialist. This classic biography of Nietzsche was first published in the 1960s and was enthusiastically reviewed at the time. Long out of print, it is now reissued with its text updated in the light of recent research. The biography chronicles Nietzsche's intellectual evolution and discusses his friendship and breach with Wagner, his attitude toward Schopenhauer, and his indebtedness to Darwin and the Greeks. It follows the years of his maturity and his mental collapse in 1889. The final part of the book considers the development of the Nietzsche legend during his years of madness. R. J. Hollingdale, one of the preeminent translators of Nietzsche, allows Nietzsche to speak for himself in a translation that transmits the vividness and virtuosity of Nietzsche's many styles. This is the ideal book for anyone interested in Nietzsche's life and work who wishes to learn why he is such a significant figure for the development of modern thought. R. J. Hollingdale has translated and edited several of Nietzsche's texts, as well as other prestigious German thinkers. Mr. Hollingdale worked in the editorial department of the Guardian for over twenty years and has written book reviews for the Guardian and the Times Literary Supplement.

Friedrich Nietzsche developed his philosophy during the late 19th century. He owed the . of the earth Man is a rope, tied between beast and Ubermensch rope over an abyss what is great in man is that he is a bridge and not an end. Hollingdale's biography remains the single best account of the life and works for the student or nonspecialist. This classic biography of Nietzsche was first Under the rubric of slave morality, the noble man was seen as the evil . Nietzsche prescribes his philosophy of amor fati the love of fate. Hollingdale's biography remains the single best account of the life and works for the student or nonspecialist. This classic biography of Nietzsche was first In them, Nietzsche outlines his philosophy of revaluing all values, Jan Sokol: Nietzsche was a great man and deserves a just assessment. This is the ideal book for anyone interested in Nietzsche's life and work who wishes to learn why he is such a significant figure for the development of modern Nietzsche. The Man and His Philosophy (review). James Gutmann. Journal of the History of Philosophy, Volume 5, Number 1, January 1967, pp. 94-96 (Review). The ideal book for

anyone interested in Nietzsches life and work. An important asset of Youngs philosophical biography is that it portrays both Nietzsche the philosopher and Nietzsche the man amidst the backdrop of historical, Young traces Nietzsches philosophy of religion to his pious childhood.
