

## Hope Falls: If I Fall (Kindle Worlds Novella)

He has no intention of falling for anyone - hes duty bound. Sully, Special Agent James Sullivan, to give him his full title, is on his way to Hope Falls. Hes going to visit an old friend, but he couldnt tell you why. If pushed, hed say that he had some time off after his boss and friend died, and he didnt know what else to do with himself. He probably wouldnt tell you that Patricks death has left him wondering if there shouldnt be more to life than his FBI career. She has no intention of falling for anyone - shes carefree. Jess Archer lives in her motorhome and travels the country as a freelance photographer. She can wander as she pleases and she loves that. There may be no one in the world who knows or cares where she is from one day to the next, but thats a good thing, not a sad thing. Or so she tells herself. Still, shes thrilled at the chance to visit someone who does care about her, her old friend Tessa. When Sully and Jess meet sparks fly, but will the magic of Hope Falls be enough to bring together two people who have no intention of falling in love?
