The perfect companion book to the New York Times bestselling I Am Number Four series! I Am Number Four: The Lost Files: Hidden Enemy is a collection of three action-packed novellas by bestselling author Pittacus Lore! Originally published as the e-novellas Fives Legacy, Return to Paradise, and Fives Betrayal, now, for the first time ever, they are together in one print volume. Fives Legacy tells the story of Fives early years on Earth when he was just a young teen on the run, discovering his abilities and making the wrong kind of friends. Return to Paradise picks up in the aftermath of the Mog attack on Ohio and follows Mark James as he struggles between returning to a normal life and helping John Smith and the others. Fives Betrayal is the exhilarating continuation of Fives story, in which he joins the Mogadorian ranks and must demonstrate his allegiance to them by helping to destroy the other Lorien survivors. You know the truth about the Mogadorians invasion of Earth and the Garde who will do anything to defeat them yet there is still so much to learn. The stories in Hidden Enemy will help you get the answers you seek, but they will not help you stop the coming war. Only the Garde can save our planet.
