

It Shouldn't Happen to a Vet: The further adventures of a 1930s vet

Now firmly ensconced in the sleepy Yorkshire village of Darrowby, recently qualified vet James Herriot has acclimatised to life with his unpredictable colleagues, brothers Siegfried and Tristan Farnon. But veterinary practice in the 1930s was never going to be easy, and there are challenges on the horizon, from persuading his clients to let him use his modern equipment, to becoming an uncle (to a pig called Nugent). Throw in his first encounters with Helen, the beautiful daughter of a local farmer, and this year looks to be as eventful as the last. I grew up reading James Herriot's books and I'm delighted that thirty years on, they are still every bit as charming, heartwarming and laugh-out-loud funny as they were then.
