

John Sloanes Country Seasons 2014 Weekly Planner Calendar

Johns art is also popular on puzzles, needle art, greeting cards, prints, and gifts. Every season is lovely in a thousand ways, and nowhere more so than in John Sloanes beautiful paintings. In his art, he celebrates the breathtaking splendor of each change of nature, from winters frosty brilliance and springs sudden greening to summers bold wildflower display and autumns golden radiance. Firmly set in a bygone era, his exquisitely detailed paintings at once inspire anticipation for natures next display and longing for when life was simpler. Full-spread monthly grids at the front of the John Sloanes Country Seasons 2014 Weekly Planner Calendar are followed by weekly spreads that feature John Sloanes wonderfully detailed paintings on the left and weekly planning pages on the right. Adding to the functionality of this beautiful calendar are the spiral binding and pockets inside the front and back covers for storing notes and reminders.
