

Official, original James Bond from a writer described by Len Deighton as a master storyteller. Two female agents of Operation Cream Cake - double agents and honey traps against the KGB - are murdered. Bond must find the others and conduct them to safety before they meet a similar fate. In a race against time, Bond travels to Ireland and the KGB is soon on the scene. But all is not as it seems and soon Bond finds he needs all his wits to negotiate a labyrinth of double-crossing that is to lead him to a bewildering showdown in a remote corner of the Kowloon province of Hong Kong, where, weaponless, he is hunted by four assassins. No Deals, Mr. Bond is the sixth in the bestselling series created by John Gardner, and one of the most original and unpredictable.
