

Executive Protection (The Adair Legacy Book 2)

AN FBI AGENT TAKES THE BIGGEST AND MOST DANGEROUS RISK OF HIS CAREER: LEAVING HIS BACHELORHOOD BEHIND. Crime investigator Thadus Thad Winston must protect his high-ranking political mother after she is shot and nearly killed. He is prepared for risks. What he isn't prepared for is Lucy Sinclair. Hired as his mother's nurse, Lucy is capable, compassionate and entirely inconvenient for Thad. He doesn't envision a life of shared love or commitment, yet he can't deny the intense attraction growing between them. And when a stalker sets his sights on Lucy—possibly the same man who tried to kill his mother—Thad realizes just how much he has to lose.
