

And There Was Light (S03)

Selected as one of USA Today's 100 Best Spiritual Books of the Century, this astonishing autobiography tells the gripping, heroic story of the early life of Jacques Lusseyran, an inspiring individual who overcame the limitations of physical blindness by attending literally to the light within his own mind. Through faith in the connection between vivid inner sight and outer events, he became a leader in the French Resistance and survived the horrors at Buchenwald.
