

Learn the successful presentation techniques used in over 500 IPO road shows and featured in the Wall Street Journal and Fast Company. Jerry Weissman is the presentations coach to Microsoft, Cisco Systems, and many of Americas top executives, including founding Yahoo CEO Tim Koogle, Intuit founder Scott Cook, Netflix founder and CEO Reed Hastings, and many others. The San Jose Mercury News says that Weissmans IPO presentation coaching is worth 10% on a company stock. Learn why your body language and voice are more important than your words, how to present with poise and confidence naturally, and how to connect with any audience emotionally. Filled with illustrative case studies of Barack Obama, Ronald Reagan, George W. Bush, John F. Kennedy, and many others, The Power Presenter will bring out the best in anyone who has to stand and deliver. Listeners of The Power Presenter will have access to video clips referenced in the book. The accompanying reference guide is included as a PDF on this disc.
